

Coffee Grower Sample Submission

Date		Island	
Location address, area, farm name, grower contact info, etc.			
TMK or GPS			
Acreage			
Variety			

Notes

please do NOT send samples via the United States Post Office

Directions: For berries

- freeze suspect berries for at least two days
- defrost berries
- wrap berries in paper towel and enclose in ziploc-type bag
- pack with this form
- drop off at your local HDOA office or send to HDOA (Honolulu) via UPS or FedEx

For adult beetles

- place beetles in alcohol to kill (ethanol is best but isopropyl/rubbing alcohol will work)
- after beetles are dead, drain alcohol and seal container (beetles are tough and may take more than 10 minutes to die)
- pack with this form
- drop off at your local HDOA office or send to HDOA (Honolulu) via UPS or FedEx
